This map was created by the Utah Geological Survey in cooperation with the University of Utah.

While the map is considered a good representation of the geology of the area, it may not necessarily represent the official policies, either expressed or implied, of the Department of Natural Resources, Utah Geological Survey. The views and conclusions contained in this map, produced in 1994, are those of the Utah Geological Survey and do not necessarily represent the views or policies of the U.S. Geological Survey. The map may not conform to UGS technical, editorial, or policy standards; this map is not an official publication of the UGS.

GEOLeGIC MAP OF THE BLUE MOUNTAIN-LUND AREA, BEAVER AND IRON COUNTRIES, UTARH (GIS REPRODUCTION OF USGS MAP I-2361 [1994])
